

Profiles

 Caila Ruado

 J9zerotwo

Summary

Computer Science and Software Engineering graduate with skills in web development, networking, graphic design, and video editing. Strong problem-solving and organizational abilities developed through academic and project-based experience. Seeking an entry-level opportunity to apply technical and creative skills while gaining professional experience.

Internship Experience

FEU Tech Innovation Center

December 2024 - July 2025

Creative Intern

- Designed user-focused digital assets including social media graphics, banners, posters, and branded content using Canva and Affinity Designer 2.
- Applied layout, typography, color theory, and visual hierarchy principles to create clear, engaging, and consistent designs across digital platforms.
- Managed weekly content planning and participated in content creation and publishing for TikTok and Facebook, improving user engagement and maintaining consistent online presence.
- Collaborated with creative interns, supervisors, and cross-functional teams to develop concepts, refine designs, and meet project deadlines.
- Adapted designs based on feedback, demonstrating iterative design thinking and attention to detail.

Projects

Enhancing AI Chatbot for a Human-Like Conversation Through Natural Language Processing in Food Services

- Designed and developed an AI-powered chatbot in a team project to improve customer interaction in the food service industry.
- Implemented Natural Language Processing (NLP), sentiment analysis, and empathic computing to enable human-like conversations and understand customer emotions.
- Improved feedback collection, reduced response time, and supported efficient customer follow-ups.

Skills

 Web Dev Tools VS Code, GitHub, XAMPP, Vercel	 Languages HTML5, CSS3, JavaScript, PHP, Python	 Database Tools phpMyAdmin, MySQL
 Basic Exposure Android Studio, Java, C++	 Currently Learning Figma, Typescript & React (.tsx)	 AI-Assisted Development Tools Google AI Studio, ChatGPT, ClaudeAI, Blackbox AI
 Design Tools Canva, Affinity Designer 2, CapCut, Affinity Photo 2, Clipchamp	 Microsoft Suite Word, Excel, PowerPoint, OneNote, Outlook, OneDrive, Teams	 Google Workspace Gmail, Google Drive, Google Docs, Google Forms, Google Sheets, Google Meet, Google Slides

Education

FEU Institute of Technology

2021-2025

Bachelor of Science in Computer Science with Specialization in Software Engineering

- FEU Tech Association for Computing Machinery (ACM) - Junior Officer (2022-2023)

Certifications

DevNet Associate January 2024	CCNAv7: Introduction to Networks July 2023	Information Technology Specialist in Python June 2023 Certiport: Hm8v-XMzs	Information Technology Specialist in Java November 2022 Certiport: w9coT-H9sw
---	--	---	--

Awards

2TSY2122 CCSMA Dean's Lister (Gold)

March 2022
